

## HIGHWAY TO HEAVEN

NOVEMBER 22 FRIDAY At 3 AM

The Lord placed before me a highway to Heaven and said, come up. I was brought into the 3rd Heaven in my spirit, as my body and soul was immersed into reality above the earth. A voice said I want to show you what I am about to do. I am calling for a time of fear and panic, quaking hearts of terror will rise throughout the earth. Like an earthquake, multiple continents will be shaken, including North America, and the North East particularly.

In the spirit I was at the foot of a large mountain in the heavenlies, Glory shined about while the ancient was holding a silver trumpet. The voice said, "The angel has been given the command to sound the trumpet to release a season of fear, trembling, and panic.

I then saw the sea became full of souls as I saw an enormous net upon the waters, and it was being filled with multitudes of fish. The voice said: "A time is at the end for a predetermined harvest, but know more harvest will come at my choosing before the end," Convulsions and intensifications will continue till the end.

Again, the angel on the top of the mountain holding a long trumpet will awaken the continents, with fear, trembling and panic when the trumpet sounds. As hearts will quake with fear and panic, foundations of man will be shaken. Many will awaken and stand up and look to Heaven.

Know that many will suffer following fear and dread. It will be a quaking time and of shaking. Tell my people to go into a time of hiding for a little while. "Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by," Isaiah 26:20. Norovirus is the contagion that has been allowed to release a spirit of fear, terror, and confusion.

Part II: Shortly after I was again in the Spirit, and received a word regarding President Trump and our country. This word is enclosed in an attachment.
